SAFE around children and pets! EcoSMART Weed & Grass Killer is an organic herbicide made from a patented blend of plant oils. Works fast (see results in hours) without any synthetic toxins or harmful chemicals. It's an effective and smart choice... *NATURALLY!*

EcoSMART kills all types of weeds and grasses. For use on patios, walkways, driveways, around trees and shrubs, along fences and foundations and in other areas of your yard.

Available in 64 oz ready-to-use spray bottles.

Active Ingredients:

2-Phenethyl Propionate 5.0%

Eugenol 5.0%

Sodium Lauryl Sulfate 0.05%

Other Ingredients 89.5%

BioSafe Weed Control

BioSafe Weed Control is an OMRI Listed herbicidal soap that is tough on weeds, but easy on the environment. Burn down a broad spectrum of plants to maintain weed-free patios, walkways, driveways and even vegetable gardens.

NATURE'S WISDOM ORANGE OIL QT.

Part Number NW8032

Ingredients:

Cold pressed orange peel extract, emulsifier

Description:

Natures Wisdom Orange Oil contains the raw oil collected from the citrus peel during the juicing extraction. No heat is applied during this "cold pressed" process thereby preserving the integrity of the oil. Orange Oil has been discovered to be an important ingredient in a variety of household and gardening applications.

Application Recommendations:

SHAKE WELL BEFORE USE. Diluted Solutions can be used as a natural adjuvant to assist other sprays and soil applications.

DIRECTIONS FOR MIXING:

Foliar Solution: Mix 2 ounces per gallon of water. *Soil*

Drench: Mix 4 ounces per gallon of water. *Cleaning*

Solution: Mix 2 ounces per gallon of water.

Emulsifier: Add 1 -2 ounces to a gallon of Nature's Wisdom 20% Vinegar Herbicide for Control of Weeds. Orange Oil will increase the effectiveness of the herbicide as it works as a spreader sticker. Keeping the herbicide in contact with the weed for a longer period of time.

BONIDE BURN OUT WEED AND GRASS CONCENTRATE KILLER

Made from natural ingredients, Burn Out is approved for organic gardening, and is safe for use around people and pets. Burn Out kills all types of actively growing weeds and grasses. Burn Out is rainproof when dry, works at temperatures as low as 40 degrees F. and does not translocate. Great for use around borders, driveways, sidewalks, around the base of mature trees, around buildings, fence lines, barns and pastures, school grounds, in greenhouses, and other areas where weed control is desired.
